4. Public Comment:

1. Questions and clarifications on fire restrictions
2. Thank you to Diane Anthony, MMWTC, USFS and community members for orchestrating and volunteering their time to the gun range clean up off of East Side and Topaz Ln.
3. Concerns that the Mountain Gate working group meeting was not properly noticed.
4. Mike White asked to put FEMA parcels outside the Walker area back on the agenda.

3. Approval of meeting minutes for June 2, 2016 meeting. Moved to approve by Katy, seconded by Orval. Approved unanimously.

5. Informational/Discussion or Action Items

MWTC: Doug Power reported on activities at the training center. Change of command on July 22, 2016. New colonel is Colonel Davidson. RPAC will send a letter of appreciation to the Marines for their support in cleaning the gun range area. Doug to supply names.

USFS: New District Ranger, Jeremy Marshall, has been invited to attend our RPAC meetings.

Supervisor's Report: Tim Fesko reported that the BOS will consider the re-opening of Mill Canyon Road at their July meeting (this has been passed and the road should be open now). Tuesday, July 12, at the Walker Community Center presentation of the County State of the Budget meeting.

Mountain Gate Park – The working group laid out a large format map of the county owned property south of East Side Ln. and invited input at large from the people present at the meeting. As part of the grant agreement, the community is responsible for helping maintain Mountain Gate Park. Katy volunteered to coordinate a cleanup ASAP.

Items for future RPAC meetings. There will be a Dark Skies presentation for the hour preceding our next RPAC meeting on Sept. 1st. August RPAC meeting cancelled at staff's request.

Meeting adjourned at 8:32

Next meeting Sept 1 at 7PM.
